Love Divine - Brass Band

Fantasy on Blaenwern

Duration: 6:30
Grade: 3

Programme Note

Love Divine is a work that uses the hymn tune Blaenwern. The text that accompanies it begins with the phrase "Love Divine, all loves excelling." For the music I started to associate with that fact. This led to two musical themes derived from the hymn tune

The work begins with the feelings of air, purity and rippling. The flugelhorn and euphonium play solos on a bed of slow accompaniment. Next we hear the first half of Blaenwern, a preview of divine love. The work continues with an earthy, peaceful and rooted feel. This culminates in the second part of Blaenwern. A short return of the pure and rippling feeling brings us to the conclusion in which the hymn can be heard in full and culminates in a grand conclusion.

I am Geert Jan Kroon (1981): a motivator, inspirator and creative optimist.

I studied Art, Culture and Media at the University of Groningen with a master's degree in Musicology in Utrecht. Since then I have developed my own style as a conductor, composer and musical entrepreneur.

New opportunities arose for me through my composition studies at the ArtEZ conservatory with Wilbert Bulsink. In my music, I like to use techniques from contemporary music to give my music its own sound. Next to that, I want to keep the music accessible to the audience.
